

Tropic Isles Golf League Info

Who Can Join?

You can! We are a group of men and women from Tropic Isles who play recreational golf one day per week. We encourage all level of players to come out and enjoy the game of golf in a fun and friendly environment.

What Do We Do?

We are a social group here in Tropic Isles. We play golf on Wednesdays beginning at 11:00 a.m. from November through March. Not here all season? Can't play every Wednesday? No problem. We are a very informal "league"; just play on the Wednesdays that fit your schedule. After golf, linger at the club house to share stories, have a snack, and have a chance at our fabulous weekly prizes.

We play at the Terra Ceia Bay Golf Course, just a couple miles from Tropic Isles. It offers the most affordable and convenient golfing in the area. The course is an "executive" par 62 course, short in comparison to many, but very scenic and designed for every level of player. It's a fun course to play regardless of your experience level.

A \$25 membership fee is required. Your membership includes discounted rates on golf, two handicapped league tournaments (February and March), weekly prizes and an end of season party. Come join us for fun and fellowship on the course.

We try to schedule different foursomes each week so that we all get to know each other. We record scores and come up with a simple handicap system for use in our tournaments. We also have a number of rules out on the course that help keep the game moving.
